## ABOUT US |

# SPECIALIZED POWER COMPANY LTD.

Specialized Power Company LTD is One of The Fast-Growing Company in The Eastern Province Started Its Contracting Business in The Year 2015. It has completed over eight years of services to various prominent National & International Industries and Companies operating in Saudi Arabia. During the past decade, the Organization has achieved substantial growth in all spheres of services with high Caliber and standards required by our clients.

Our undertakings are in the fields of General Contracting, Operations and Maintenance Support Services, Pipeline Construction, Plant Construction, Manpower supply and Equipment rental services. Over the years, SPC opened in professional Management, and has a simple, well defined organization structure that lends itself to the needs of the construction and maintenance sectors. We continually strive to improve our performance.

SPC is offering services that blends quality delivery with cost saving methodology. We combine an excellent, quality service with technical support.

## OUR MISSION

- To provide an excellent service to our clients, by giving them their principal position in the business and by treating them with integrity and honesty they deserve.
- To deliver quality service on time and at the convenience of our clients.
- To always use quality material to give our customers value for their money.
- To train young professionals who wish to operate in the same industry.

## OUR VISION

To provide our customers with outstanding service. This is achieved by the use of an entrenched quality management system, manufacturing flexibility and competent, qualified staff, who settle for nothing less than total quality in all our services.

# HEALTH & SAFETY ACT

SPC shall endeavour to provide and maintain a working environment that is safe and without risk to the Health & Safety of its Employees and its assets. SPC pledges its full co-operation & commitment to the Safety Policy.

## Employee's Responsibility

Every employee shall endeavour to comply with all relevant legislation, instructions, rules and procedures in the interest of Health & Safety. Employees will mutually be responsible for the Health & Safety of everyone, while utilizing equipment and machinery properly and minimum risk.

### We are committed to:

- Take reasonable care to protect own Health and Safety as well as others.
- Take proper care of personal protective equipment and the correct use of it.
- Report a situation or act promptly that is a risk to any person.
- Co-operate with any person to ensure compliance with the duties and responsibilities placed on the person in terms of the Health & Safety act.
- Comply with prescribed Health & Safety measures.
- Concentrate on mental health and maintaining a positive attitude.

## PRESIDENT MESSAGE

As we think about our company, I'd like to say it an honour to have the opportunity to serve our customers as the president of the Specialized Power Company. I'm grateful to all of our employees, customers and other clients whom we have worked with during the past period and whom they have devoted their effort to make SPC as a strong company. A great amount of thanks to our senior members of management who have exerted outstanding leading efforts to increase efficiency.

As I assume this role, I keep in mind the trust and belief I have in our executive management. They are a group with exceptional amplitude and sense of services. I look forward to working with each one of them and their staff, skill Manpower to accomplish our goals and contribute into the overall mission of SPC.

I'm grateful for the support and honored to have the opportunity to serve as President of this dutiful organization. In my efforts, I will hold true to the mission of the company and I look forward to serving our customers.

**— YAHYA ALI AL HARTHI**  
PRESIDENT
